L: 230mm W: 50mm H: 120mm

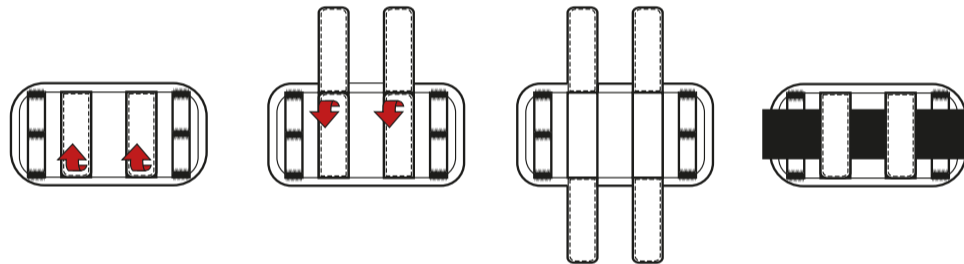

## EASY ATTACH SYSTEM

Secure your Dry Pouch to just about anything by either threading a strap or belt through the daisy chains, or securing the velcro straps around something like a carry handle or cargo bungee.

Using the Daisy Chain system:

Using the Velcro straps:

## CARE INFORMATION

### ENSURE THE ZIPPER IS FULLY CLOSED BEFORE EXPOSING THE DRY POUCH TO WATER.

- **DO NOT MACHINE WASH**
- **DO NOT IRON**
- **DO NOT DRY CLEAN**
- Wash with fresh soapy water after each use
- Dry with paper towel and leave indoors in a warm environment with zip open and pouch in upside down position.
- **DO NOT FORCE ZIP,**  
Pull zip back and remove the obstruction
- Keep the zipper free from dirt and obstructions
- Avoid overstretching the pouch opening
- Regularly apply the supplied zipper lubricant
- Store pouch clean and dry with newly applied zipper lubricant with the zip fully closed

RED CANNOT ACCEPT RESPONSIBILITY FOR CONTENTS STORED IN THE DRY POUCH, OR DAMAGE THEY MAY SUFFER WHEN IN USE.
