**Shipments Manufactured from January 1, 2014 through todays date.**

**Specific Customer Requirements: ALL ITEMS ARE MAUFACTURED WITHIN REQUIRED SPECIFICATIONS OF THAT PART NUMBER AND CERTIFICATION.**

**It is hereby certified that the finished items described above was manufactured in accordance with the material and product specification and is as stated in the applicable Customer Purchase Order and Poison Prevention Package as per the current Code of Federal Regulations (C.F.R) Title 16, Part 1700.20**

**It is also hereby certified that the 10ml PET TE Bottle, TE Cap and Needle Nose Dropper have been tested by Tread Global, Inc. and in accordance with the testing methods specified by the International Organization for Standardization, in the standard ISO 8317:215. The package fulfills this standard's acceptance criteria due to the e-liquid outflow rate not exceeding 20 drops per minute when held vertically inverted and is TPD certified. This certification grouped with the Bitner and Associates certification that was done for Child Resistance and Tamper Evident test that is part of the TPD certification.**
