THE STORY OF "BIANCA MARIA CASHMERE"

Love. The most beautiful of all emotions. Each time when I think of cashmere or touch the soft material the emotion of love comes into my mind. A love that is deeply secure, caressing, tentative and warm. A love that you give to a child. Directed from this feeling, 2017 in Florence, the idea of 'Bianca Maria Cashmere - Cashmere for the innocence' was born - a label for baby fashion made of finest cashmere.

MADE IN ITALY WITH LOVE -OUR YARN-

,Bianca Maria Cashmere 'collaborates closely with the an Italian cashmere manufacturer. The provider, specialized in the production of yarn, is successful on the international market and a well-known pioneer in its sector for over 50 years. We pride ourselves on our strong partnership. What sets them apart is the fact that they are a longstanding cashmere family business, with a rich heritage and expertise passed down through generations.

Our collaborations is built on a foundation of trust, reliability, and shared values.

MADE IN ITALY WITH LOVE -OUR DESIGN-

Our focus is on creating timeless, elegant, and high-quality clothing for babies, made from the softest and finest cashmere. We believe that every baby deserves the best, and that choosing the right clothing from the start is important.

Our classic silhouettes are inspired by traditional designs, and add a touch of sophistication to any baby's wardrobe.

We use only the finest quality cashmere fibres, obtained through gentle handwork, to ensure that every knitwear piece is made with care and attention to detail.
