

### PACKAGE CONTENTS

1 x Light Fitting

#### **FEATURES**

- 1. Built in Extendable Solar Panel
- 2. 6-8 hours Operation per day
- 3. Adjustable Handle
- 4. Colour Blue/Red

## **OPERATION**

If the **"ON/OFF"** button is pressed once when the light is in the **"OFF"** position (*Please note: the light is packed and transported in the "OFF" position*) the lamp will turn **"ON"**, if pressed again, the light will turn **"OFF"** 

## **EXTENDABLE SOLAR PANEL**

The purpose of the extendable Solar Panel is to charge your lantern 2 x faster than if you were using 1 panel alone. To do this, simply rotate the small top panel from the solar panel lantern head (*FIGURE 1*)

# **INSTRUCTION GUIDE**

# **Residential Camping Lantern**

Model No.SLDL2271A/BLUE, SLDL2271A/RED

# **IMPORTANT NOTES**

- Please ensure you place your solar panel in a location where it can achieve a minimum of 6HRS DIRECT SUNLIGHT
- Be aware that on overcast/cloudy days, the solar panel will still charge. However, not as efficiently as a sunny day, so the battery may not reach full capacity. Therefore, your light may turn off earlier than specified.
- It's best not to install the fitting underneath a street light, porch light etc. because this may stop the automatic day-night sensor triggering and result in your lights not turning on.

# **TROUBLE SHOOTING**

Phenomenon	Cause	Inspection Method	Solution
Light won't turn on	Switch hasn't been turned on	Determine what position the switch is in	Turn the switch on
	Battery has run flat	Period of rainy or cloudy weather or installation site doesn't provide enough direct sunlight	Charge the light in direct sunlight for 1-2 days then check again
The light only stays on for a short amount of time	Low Battery	<ol> <li>Bad installation site for the solar panel</li> <li>Dust or leaves are covering the panel</li> <li>Long period of overcast weather</li> </ol>	<ol> <li>Charge the battery in direct sunlight for 1-2 days with the switch off, then check again</li> <li>Clean the solar panel</li> </ol>
	Battery Failure	<ol> <li>Access the light and &amp; replace battery</li> <li>Battery has matured</li> </ol>	Contact SLD Customer Service to buy new batteries
