

THE CLASSIC BRIDE

Fresh & luminous with flushed cheeks, light-catching lids, and tawny-rose lips.

1 Blend under eyes and across the t-zone in your Vital Skin 'concealer' shade. Follow with your 'true skintone' match on cheeks & forehead.

2 Define cheekbones gently with Face Trace Contour and your Baby Blender brush.

3 Swirl Baby Cheeks Blush (*here in Dou Dou*) on the apples for a healthy flush.

4 Brush brows, fill in gaps, or extend ends using Bonne Brow pencil in your best shade.

5 Layer on Peau de Pêche, followed by Eye Pods in Bisou, for luminous peachy-bronze lids. Set with translucent powder.

6 Brush waterproof black mascara on top lashes only for a fluttery, eye-opening effect.

7 Dab on Mulled Wine from the Les Nudes palette for a lush tawny-nude lip.

8 Finish with Vital Pressed Skincare Powder in translucent to extend wear of makeup.
