Round Flat Type V

### Product Description:

The PathMAX™ Slim LED Bollards offer a modular design with field selectable color temperatures (3000K, 4000K, 5000K) that simplify the product choice for distributors and contractors. Available in round and square silhouettes, the bollards are controls ready and designed with a specialized optics that projects light down and outward for ample illumination on walkways.

### Features:

- CCT Selectable 3000K, 4000K & 5000K
- Modular design with field replaceable heads and shafts
- Lengths: 42" , 36"
- Distributions / optics: Cone reflector (Type V), louver
- Vandal resistant screws

### Dimming:

- 120-277V option available with 0-10V dimming (0%)

### Construction:

- Die-cast aluminum body
- Clear Polycarbonate lens

### Mounting:

- Mounting kit available standard with each bollard (includes mounting base, anchor bolts, nuts and washers )

### Listings:

- UL Listed for Wet Locations, Outdoor
- DLC Premium: Not all product variations listed on this page are DLC qualified. Visit <https://www.designlights.org/search/> to confirm qualification

### Controls Ready:

Simple plug and play Sensor Receptacle/Socket enables installation of c-Max control nodes, photocell and motion sensor without changing the fixture.
