PRODUCT DESCRIPTION:

These LED Flush Mount Ceiling Fixtures are ideal for corridor and accent lighting in homes, hotels, motels and property management applications. MaxLite's LED Flush Mount Ceiling Fixtures feature "Driverless" DOB technology for improved reliability. Available in traditional, alabaster art glass, and pearl diffusers; paired with traditional, and transitional brushed nickel trim styles.

FEATURES:

- Wide variety of finishes and styles available
- Multiple wattages available
- Can operate on many commercially available dimming controls
- 90 CRI versions support Calif. T24-2015 compliance

CONSTRUCTION:

- Using "Driver on Board Technology, no typical LED power supply is needed.
- 22Gage Spun Cold rolled Steel, plated after fab
- Diffusers: Etched Ribbed, Alabaster art glass, or White acrylic polymer depending on style.
- PCBA uses UL Recognized FR4 materials

CONTROL:

- Dimming – Operates when paired with ELV type dimmers
- Dimming from 100% to <10%
- Dedicated 120V, 60Hz Operation only

DIMMER CONTROLS	
Lutron	CTELV-303P
Lutron	LGCL-153PL
Lutron	Diva DVELV-300
