

YOUR PORTABLE AIR PURIFIER

This booklet contains
important information.

CAUTION: Read manual carefully for
proper procedures and operation.

Thank you for purchasing your new Portable Air Purifier from The Pure Company.

We started The Pure Company because we wanted everything in our homes to be healthy—from the air we breathe to the water we drink. And we wanted the things that make our homes healthy to be as beautiful as the people in them. Our lives in those beautiful, healthy homes?

We thought a few less gimmicks and gizmos sure would make things a lot simpler.

Which is why our **Pure Company Portable Air Purifier** freshens and cleans the air at home or away, with no harmful chemicals or artificial ingredients, and why it's as simply designed as it is simple to use, as easy to maintain as it is easy on the eyes.

We hope you love our Portable Air Purifier, and we're excited to hear what you think about it.
