

## Perfect MCT Oil Non-GMO Certification

We hereby certify that the ingredients used in the **Perfect MCT Oil** do not come and are not produced from Genetically Modified Organisms (GMO) as defined by European Directive 2001/18/EC.

Furthermore, the Perfect MCT Oil is USDA Organic certified and bears the Organic seal.

As per the USDA website - "No matter where it was grown, if a product has the USDA Organic label on it, it wasn't produced with GMOs."

A handwritten signature in black ink that reads "Paul Morelli".

Paul Morelli  
Director of Operations
