

CLEAN SAVINGS

For more than 30 years, Vector Chemicals has been serving car dealerships and detailers. Made in the U.S.A. and formulated with the latest technology, we have the right cleaning products for your operation.

Customers who choose us:

- **Save money.** Get better results, but use less product. Vector's automotive cleaners are custom formulated to deliver ultimate cleaning power.
- **Save time.** High-performance concentrates get the job done faster.
- **Sleep easy.** Vector Chemicals' vehicle detergents are 100 percent biodegradable and environmentally safe - helping your facility maintain OSHA standards.
- **Reduce waste.** Order any quantity at any time. We ship exactly what you need, when you need it - within 24 hours.
- **Add new revenue.** Offer your customers a car detailing kit labeled with your brand.

Our products are made in the U.S.A., environmentally friendly and formulated with the latest technology. Whatever your cleaning needs, we have the right product for you.
