

SPRAY SAVINGS

For more than 30 years, Vector Chemicals has served power washing companies with superior, grime and mildew-fighting soaps for residential, commercial and deck washing applications. Made in the U.S.A. and formulated with the latest technology, we have the right cleaning products for your business.

Customers who choose us:

- **Save money.** Cut 30 percent on the cost of your chemicals by using our drum pack and pail pack technology. You simply add water at the job site and start applying. Don't pay to ship water.
- **Save time.** Get the job done faster with exceptional results.
- **Sleep easy.** Protect your customers' property with 100 percent biodegradable power wash soaps.
- **Save on storage and clutter.** Order any quantity at any time. We ship exactly what you need, when you need it - within 24 hours.
- **Extend equipment life.** Fight corrosion and soap build-up that can negatively impact the performance of your power washing equipment.

Call **1-800-331-0347** or visit **VectorChemicals.com** to learn about our ultimate cleaning power.

OUR PRODUCTS ARE BIODEGRADABLE.
