THE 17 BEST TINTED BALMS FOR HYDRATED LIPS

As much as we love to rock a [fierce red lipstick](#), sometimes we're still recovering from the cold, dry weather and need a bit more moisture than your favorite formula can provide. That's why we'll stand behind the tinted lip balm as the must-have lip product for spring (and year-round, if we're being honest). Color plus hydration? Perfection. Check out our 17 must-buy tinted lip balms below.
