10 Best Tanning Oils for Those Who Love the Sun—and Those Who Hate It

If sand, waves, and sun are among your favorite things in the world, chances are you love looking bronzed. Achieve that golden look with the top tanning oils we've rounded up, ahead. For those of you who avoid the sun like a plague, we also threw in plenty of self-tanning options to fake a sun-kissed sheen. Regardless of how you achieve your tan, protecting your skin is a top priority—make sure to slather on the SPF when you're under UV rays and pick products with SPF for added protection. Is it summer yet?
