- ❑ USA: [www.xkeys.com](http://www.xkeys.com)
- ❑ UK: [www.x-keys-uk.com](http://www.x-keys-uk.com)

---

## Box Contents

This package contains:

- 1- X-keys Joystick for Xbox Adaptive Controller
- 2- Angled feet
- 1- Product Manual (this document)

## Quick Start for Xbox

Remove unit from the box and plug into the Xbox Adaptive Controller. The X-keys Joystick is preprogrammed with game buttons one through eight and will work right out of the box. The joystick does not have any programming and works as a standard three axis joystick.

No programming is needed in order to use this unit out of the box. However, the buttons can be reprogrammed using the Xbox if reprogramming is desired.

## The Joystick

By default, the joystick is a three axis USB joystick.

## Compatibility

X-keys Joystick for Xbox Adaptive Controller is compatible with the Microsoft Xbox Adaptive Controller.

## Support

Should you encounter any difficulty while using this device, please contact technical support.

USA: [tech@xkeys.com](mailto:tech@xkeys.com) | Phone: 1-517-655-5523

UK: [xkeys@keyboardspecialists.co.uk](mailto:xkeys@keyboardspecialists.co.uk) | Tel +44 (0)20 3474 0234

## Identifying the Keys

The keys are mapped as game buttons one through eight. One through four are the top single keys with five through eight being the bottom tall keys

## Backlighting

All keys on the Joystick are programmed for red backlighting.

## Feet

The included angled feet may be snapped in to the bottom of the X-keys to give it a slight tilt.

## Compatible Accessories

Please visit the Accessories page on our website for details on the following.

- ❑ X-keys USB Extender – up to 150 feet via CAT 5 cable

## Other Products from P.I. Engineering

- ❑ X-keys XK-24 – 24 keys

## FCC Declaration of Conformity

**This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference when the equipment is operated in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and if not installed and used in accordance with the instruction manual may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:**

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and the receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio TV technician for help.

**Any changes or modifications not expressly approved by the manufacturer could void the user's authority to operate the equipment.**

## CE Declaration of Conformity

We, P.I. Engineering, Inc., declare that the X-keys is in conformance with:

- EMC Directive 2014/30/EU, tested in accordance with EN 55032:2012 and 55024:2010/A1:2015

- **Certificate of compliance on file at P.I. Engineering, 101 Innovation Pkwy, Williamston, MI 48895**

## Limited Warranty

For all X-keys products purchased and installed in the United States, Canada and the United Kingdom, P.I. Engineering warrants that the X-keys product will be free from defects in materials and workmanship under normal use and service, and will meet the specifications presented by P.I. Engineering at the time of original purchase, for one year as evidenced by a copy of the purchase receipt. Under this warranty, P.I. Engineering will, at its sole option, repair or replace any X-keys product which is defective, provided that you are responsible for (i) the cost of transportation of the product to P.I. Engineering or its designated service facility, and (ii) any loss or damage to the product resulting from such transportation.

Upon discovery of a defect in the product within the Warranty Period, you should notify P.I. Engineering Technical Support to obtain an RMA (return authorization number) and instructions for shipping the product to a service location designated by P.I. Engineering. You should send the product, shipping charges prepaid, to the designated location, accompanied by the return authorization number, your name, address, and telephone number, proof of purchase, and a description of the defect. P.I. Engineering will pay for return of product(s) to the customer.

P.I. Engineering shall have no responsibility to repair or replace the X-keys product if the failure has resulted from accident, abuse, mutilation, misuse, or repair/modification performed by any entity other than P.I. Engineering.

THIS WARRANTY IS EXCLUSIVE OF ALL OTHER WARRANTIES, WHETHER EXPRESSED, IMPLIED, OR STATUTORY. P.I. ENGINEERING DOES NOT WARRANT THIS X-keys PRODUCT FOR FITNESS FOR A PARTICULAR PURPOSE OR MERCHANTABILITY. P.I. ENGINEERING AND ITS EMPLOYEES SHALL NOT BE HELD LIABLE FOR ANY CONSEQUENTIAL, INDIRECT, OR INCIDENTAL DAMAGES, EVEN IF ADVISED OF THEIR POSSIBILITY, ARISING OUT OF THE USE OR INABILITY TO USE THIS PRODUCT. SOME STATES DO NOT ALLOW FOR THE EXCLUSION OR LIMITATION OF CERTAIN LIABILITIES, SO THE ABOVE LIMITATIONS MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER LEGAL RIGHTS WHICH VARY FROM STATE TO STATE.

In the event that the above limitations are held unenforceable, P.I. Engineering's liability for any damages to you or to any party shall not exceed the purchase price you paid, regardless of the form of any claim.

This limited warranty is valid for and only applies to products purchased and used inside the United States (and its territories), Canada, and the United Kingdom.

This limited warranty is governed by the laws of the United States of America and the state of Michigan.
