NATURAL BASE 'PURE COLOR'

Surface Pure Color Natural Series is formulated with equal parts of the three primary colors. The equal balance of Red, Yellow and Blue provides rich, natural tones. A true neutral base without additional warm or cool tones enables easy formulations, natural grey coverage and soft tone fading. The natural base allows for easy, complete control.

- **For warmer Pure Color:** formulate N with G series. Example: 3:1 7N : 7G
- **For cooler Pure Color:** formulate with NA series. Example: 3:1 7N : 7NA

BLADES FREE! \$230.00 (\$257.00 VALUE) (WITHOUT GUARD)

Captain Folding Razor - This folding razor is a traditional handle with a balanced weight. The fine tuning screw will give you the freedom to adjust the tension of the handle.

Captain Straight Razor - The comfortable grip of this straight handle razor lets this "head heavy" razor move in your hand with minimal effort. Having a straight handle allows the barber to "choke up" while doing detailed design or line up work.

Captain Titan Blades - These straight, cut-throat-style blades offer extreme sharpness and extra longevity. Captain Titan Mild Razor Blade refills feature an exquisitely sharp edge for precision performance and durability every time.

THERMAL – TEXTURE & SHINE

THERMAL FLAT IRON SPRAY WITH ARGAN OIL

WHAT IS IT?

A micro-fine aerosol styling spray designed to be used prior to thermal styling; enriched with silicones to protect and condition the hair. It is formulated to eliminate any fizziness and leave the hair smooth, straight, sleek and shiny. Now with argan oil, this spray provides great conditioning and incredible shine.

WHO IS IT FOR?

Anyone who uses heat styling appliances.

WHAT DOES IT DO?

A protective, humidity-resistant styling spray, it penetrates the hair, infusing conditioning and controlling agents to seal the cuticle, eliminate any fizziness and provide long-term memory, helping prevent curl reversion and making styles resistant to environmental elements. Conditions and protects the hair internally and externally while imparting smoothing and shine-enhancing benefits.

HOW DO YOU USE IT?

Spray onto clean, dry hair prior to using a flat iron. Can also mist evenly on dry hair for style finishing.

250 g/ 8.8 fl.oz

\$12.25 | MSRP \$22.00

COLOUR PRESERVE SYSTEM

A natural UV-Filter in all products for ultimate protection. The UV-filter is derived from Sunflower Seed Oil. Sunflowers move towards the sun and have therefore developed nature's strongest UV-filter. Combined with an anti-fade polymer, this system provides natural, effective protection against UV-rays and preserves the colour in hair.

STRENGTHENING QUINOA PROTEIN

A strengthening protein for long-lasting repair. The Vegan Keratin of Nature. This protein has among the widest spreads of Amino-acids with a similar structure to Keratin, which is the natural building block of hair. Provides deep, long-lasting repair and buffers each hair strand with proteins for protection.

NATURE + SCIENCE

REF is a natural beauty brand, 100% Vegan, focused on high-performance products for hair, skin and style. With nature and science in perfect symmetry we formulate products of the finest quality and highest efficacy.

REF Hair Colour limits the amount of chemicals used in the production of its products adding natural ingredients to enhance condition, shine and durability.

KEY INGREDIENTS

QUINOA PROTEIN

Quinoa Protein has among the widest natural spreads of essential amino acids derived from nature. It assists in the repair, protection, shine and conditioning of hair. This helps to preserve hair's Natural Beauty.

ALOE VERA

Long known for its healing and moisturising properties, Aloe Vera also brings antibacterial and soothing ingredients to the scalp during the process.

LOW AMMONIA

With less than 2% average ammonia content, REF ensures proper lift and deposit ratios at any level of colour choice.

ANTI AGING

Our colours contains "Thermus thermophilus", an effective, heat activated antioxidant that protects the hair and scalp from both UVA and UVB rays.

COLOURING SYSTEM VISIONS

COLOUR CHART PERMANENT & SOFT COLOURS

NATURALS

The Naturals are our base colour range. They have a mixture of pigments that provide a natural looking base. The Naturals provide excellent grey coverage and can be used alone or mixed with other shades.

INTENSE NATURALS

The Intense Naturals are double pigmented and may appear darker due to the increased dye load. These are intended for coarse and highly resistant grey hair and typically mixed with other colours in formulations providing perfect grey coverage.

GOLDENS

The gold range is a deep, warm colour line. Grey coverage: Covers up to approximately 25%. On higher percentages mix with base shade.

BAHIAS

The Bahias line is our Naturals/Goldens with a double pigment to cover the most stubborn of grey hair. Excellent grey coverage.

ASHES

These ashes are our cool pigment base. Perfect for ashy blondes and for controlling unwanted underlying warm pigments. Grey coverage: Mix with base shade to cover grey hair.

COOL ASHES

Our colour range with the coolest pigment base. Perfect for ashy blondes and for controlling unwanted underlying warm pigments. Grey coverage: Mix with base shade to cover grey hair.

SAHARAS

A natural sandy colour line with touches of glimmering gold. Grey coverage: Used alone, covers up to approximately 25% grey. With higher percentage grey, mix with base shade.

COPPERS

Fiery coppers with strong, long lasting pigments. Grey coverage: For perfect grey coverage, mix with Bahias range.

REDS

Long lasting vibrant reds. Grey coverage: For perfect grey coverage, mix with Bahias range.

WOODS

A beautiful range of cool brown/beige colours inspired by nature's own nuances. Grey coverage: Mix with base shade.

COFFEES

Our Coffees are a mixture of deep, coffee brown and light, creamy caramel. This gives warm, wonderful hues to the hair. Grey coverage: Used alone, covers up to approximately 25% grey. With higher percentage grey, mix with base shade.

MAHOGANYS

Deep red/browns with a brilliant shine. Grey coverage: For perfect grey coverage, mix with Bahias range.

PEARLS

Soft pearly colours with violet/blue pigments. Perfect for cool blonde shades. Does not cover grey.

HIGH LIFTS

Special blonde colours designed to lift up to 5 levels. Mix with Silver or Pearl Booster for best results. Does not cover grey.

PASTELS

Our series of eight pastels gives a metallic vibe to the hair color. Mix desired shade from brilliant depth to a lighter, softer reflex. Perfect for cool blonde shades. Does not cover grey. For best result apply on pre-lightened hair.

Colour available in Soft Colours.
