

THE CRAFT OF
FAITH

GUARDIANS GUIDE

Welcome to the CRAFT of Faith family!

OUR MISSION:

To encourage creative and educational time between adult and child in the Faith of God.

The Craft of Faith takes children on a chronological journey through the Bible, starting with Genesis. Each monthly box includes four unique crafts, one for the Old Testament, the New Testament, Proverbs and Psalms. We based our crafts on the idea of Sunday school lessons. One craft each week, with one lesson about the Kingdom of God. The crafts serve as reminders of the lesson, encouraging thought and conversation about the themes and morals of the chosen passage.

Crafts for each week of the month

Our crafts are interactive between the child and the guardian. Adults should participate with their children in the crafts, enjoying the contemplative cooperative activity. It's a great chance to take an hour or two to bond with your child while fostering his or her personal and spiritual growth. Each craft has multiple steps and preparation activities, so siblings also enjoy it. Also, each craft comes with a beautifully illustrated instruction card that shows the completed crafts as well as the scripture on which it is based.

Please enjoy this Craft of Faith. It is made with the Word of God and our love of His gifts.

Be blessed.
