## 2015 COONAWARRA CABERNET SAUVIGNON

### The DiGiorgio Family Wines Coonawarra Vineyard

In March 2002 the DiGiorgio Family became the proud owners of the second oldest winery in Coonawarra. This winery had been known since the early 1950's as 'Rouge Homme' and holds enormous importance within the 'winescape' of Australia. The 13.5ha of mature vineyard surrounding the winery is planted on the famous 'terra rossa' soil of Coonawarra. These old vineyards have provided the DiGiorgio Family with an invaluable source of premium grapes for their Coonawarra label. The DiGiorgio Family Wines Coonawarra red wines are produced using traditional methods including open top fermentation, extended maturation in oak barrels and in bottle prior to release.

### Winemaker's Comment

The 2015 vintage saw moderate yields combined with a mild summer and consequently long, cool ripening season. This enabled us to produce wines of beautiful fruit with typical Coonawarra elegance and balance. The softening effect of traditional open-top fermentation and the maturity of the vineyards have given this wine great mouth feel. It is ready to consume now, though its Coonawarra pedigree suggests that it will drink well for at least 10 years. Try with a hearty Osso Bucco.
