FRANK WHITE

**The DiGiorgio Family Wines Lucindale Vineyard**

In 1989 the family set aside 4 hectares on their Lucindale farm for vines. After much consideration of microclimate, average sun light hours, water supply and soil testing, the first 2 hectares of Pinot Noir and 2 hectares of Cabernet Sauvignon were planted. As a result of its initial success, the family gradually developed the vineyard to a total of 126 hectares with the final planting in 1998. The varieties planted now encompass Cabernet Sauvignon, Merlot, Shiraz, Pinot Noir and Chardonnay.
