

2022
MONTEPULCIANO

Montepulciano is a red wine grape variety grown widely in the region where the DiGiorgio family has its origins.

Harvest Details

Variety	100% Montepulciano
G.I.	100% Limestone Coast
Harvest Date	April 2022

Bottling Details

Alcohol	13%
Bottling Date	December 2023
Oak Handling	12 Months in older French hogsheads

Wine Details

Wine Style	Medium bodied dry red.
Colour	Deep intense magenta
Nose	Rich strawberry and cherry aromas with hints of Christmas spice. Complex and brooding
Palate	Plum cake and rhubarb overlaid with exotic spices. Rich plushness compliments the power and grace.

Winemaker's Comment

A wine that is driven by the intense fresh fruit characters that are derived from the Montepulciano variety and can be enjoyed as a drink on its own but is robust enough to go with the richest of main courses. This wine is an expression of the versatility of our region and the ambition and passion of our winemakers. Try with rich authentic lasagne.
