Digital Tips for Your Fundraiser

We've gone digital and want to make sure you miss nothing.
Here's a few things to do and expect.

1. Add us to your address book.

We will be sending you emails from hello@emails.boonsupply.com with critical information for your fundraiser. Add us to your email address book so our emails don't get filtered to your 'Spam' folder.

2. Look out for emails!

We've set up a series of emails with fundraiser tips and resources on how to maximize your success along with reminders on when to ask your network for support. Trust us, you don't want to miss these!

3. Process your funds.

Once your fundraiser is over, you'll receive an email with a link to process the funds you raised. It's crucial that you open this email and click the link to retrieve what you've made for your organization.

4. Print your check.

Within 2-3 days, Deluxe Checks (email address: app@echecks.com) will send an email to the person you registered as the payment contact when setting up your fundraiser. This email will contain your fundraiser's check. You can print your check and cash it like normal, or there are several other digital options as well.

5. Share with us!

Send us pictures and highlights from your fundraiser - we'd love to share your story on social media! Please Email us at social@boonsupply.com.
