Note: Amalgamated is a brand name used by a group of separate companies that write and manage property and casualty insurance in multiple states. The Amalgamated group of companies includes Amalgamated Casualty Insurance Company ("ACIC"), a District of Columbia domiciled insurance carrier, and American Risk Management, Inc. ("ARM"), a licensed insurance producer. Each of these separate companies provides specific services and products, complies with the appropriate insurance regulations, and is financially responsible only for its own products and services.
