Here is one suggested Fabric Layout Diagram for the Gingerbread Stitching House, Accessories including the JCS Christmas Ornament 'Gingerbread Tree' Scissors Keep.

For this fabric layout, you will need a piece of linen 19.5" x 32.5" for all pieces. We suggest you baste the lines on your piece of fabric, and then baste horizontal and vertical lines on each section, so you can centre and stitch each design on one big piece of fabric, stretched on your roller bars.
