

## WG-520IT THERMO LITE IT

The Wonder Grip® WG-520 Thermo Lite IT is a single nitrile coating glove, built on a 13-gauge brushed acrylic and spandex liner. The acrylic provides additional insulation for cold protection, while spandex helps to maintain flexibility, fit and comfort. WG-520 Thermo Lite IT is the glove of choice for users looking to gain the best fit, dexterity and comfort while keeping their hands warm. WG-520 IT benefits from our Touch screen Technology : Wonder Grip enhanced its coating to answer today's digital working environment. Users stay protected and freely can use any devices with gloves on.

### KEY FEATURES

- ✓ Brushed acrylic single liner, providing additional insulation and protection against the cold
- ✓ Good resistance to industrial oils and abrasion
- ✓ IT-compatible with touch screen functionality for improved working conditions.
- ✓ High-visibility orange to ensure the user's hands are visible and be safer on the job
