

OP-1810 OPTV™

The Opty™ OP-1810 addresses an increasing demand for a solution that combines bare hand-like dexterity for outstanding tactility and agility, with touchscreen compatibility for better comfort at work. Ideal for working in a dry environment, the high density polyethylene knit combined with our premium coating Xtended Performances XP!™ offer a smooth fit and a solid grip. Breathability guaranteed thanks to the ventilated back of the glove: keep users' hands dry.

KEY FEATURES

- ✓ Proprietary ultra-thin and smooth PU coating, ensuring a safe grip in dry and wet conditions
- ✓ Lightweight and high-stretch seamless liner offering dexterity and 360° breathability, thus preventing perspiration
- ✓ Anatomically engineered, reducing hand fatigue and ensuring an ultimate level of precision and comfort
- ✓ IT-compatible with touch screen functionality for improved working conditions.
