Nitrile Gloves:
Superior protection
that flexes, Gloves
that flow.

MG-G24 GP Craft 4.4 Mil Blue Nitrile Gloves

GP Craft Chemo Rated Disposable Nitrile Gloves are specifically designed to provide protection against exposure to chemotherapy drugs, which are used to treat cancer.

Made of 100% nitrile, thicker and textured for better grip, resistant to penetration and permeation by chemotherapy drugs, which can be hazardous to healthcare workers who handle them without proper protection.

Our gloves have been tested and certified to meet certain standards for chemical resistance. They are commonly used by healthcare workers who handle chemotherapy drugs during preparation, administration, or disposal. They are also used by patients who are undergoing chemotherapy treatment and need to handle their own medications at home.

BENEFITS

- Strong puncture resistance
- Exceptional strength and durability
- High resistance to oil and grease
- Great protection against chemicals
- Good alternative for those with latex allergies
- Beaded Cuff for easy removal
