that flexes, Gloves  
that flow.

## MG-G24P GP Craft 3.5 Mil Pink Nitrile Gloves

**GP Craft Pink Disposable Nitrile Gloves are specifically designed to provide protection against exposure to chemicals, food, dental, lab and general use while providing high visibility in pink.**

Our gloves have been tested and certified to meet certain standards for chemical resistance. Latex free nitrile with a chlorinated finish for easy wear and comfort; powder free to stop hands from drying out and designed for use in dentistry, healthcare, piercing/tattoo and hair and beauty.

These medical grade gloves are made from nitrile which is latex free and reduces risks of latex allergies and minimizes particulate contamination, for easy, comfortable use.

The beaded cuff on this multipurpose glove provides extra strength and helps prevent liquid roll back whilst the medium weight construction is suitable for contact with food and chemical resistant

Textured palms and fingertips provide improved grip, particularly in wet or oily conditions and touchscreen compatibility allows you to use mobile and tablet displays without removing the gloves

### BENEFITS

- Strong visibility while maintaining high protection
- Exceptional strength and durability
- High resistance to oil and grease
- Great protection against chemicals
- Good alternative for those with latex allergies
- Beaded Cuff for easy removal
