that flexes, Gloves
that flow.

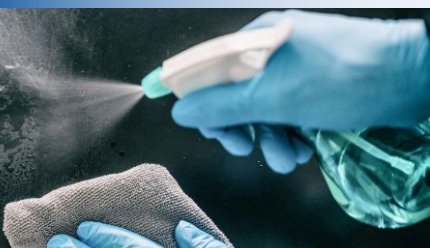

MG-G25 GP Craft 5.5 Mil Blue Nitrile Gloves

Uncover the pinnacle of hand protection with GP Craft 5.5 Mil Blue Nitrile Gloves. The gloves are a versatile solution designed for superior performance & strength.

Superior performance in cleaning, medical, dental, cooking, and hospitality settings. These powder-free, latex-free gloves offer reliability, strength, and stretchiness while maintaining textured fingertips for precision.

Putting on and removing these gloves is a breeze. The beaded cuff ensures a secure fit and easy donning. Dispose of them after use for hassle-free cleanup. Our gloves are ideal for individuals with latex allergies and ensure a clean, powder-free experience.

The gloves offer exceptional chemical resistance without the use of latex or powder. Ideal for cleaning, medical procedures, dental work, cooking, front of house tasks, and hospitality services, these gloves ensure reliable hand protection in diverse environments.

BENEFITS

- 5.5 Mil Thickness, Strong puncture resistance
- Exceptional strength and durability
- High resistance to oil and grease
- Great protection against chemicals
- Good alternative for those with latex allergies
- Beaded Cuff for easy removal
