GP Craft 6 Mil Black Nitrile Gloves

Made from 100% Nitrile, these 6 Mil Black Nitrile Gloves are designed to protect individuals from demanding tasks that require high reliability, strength & durability.

These gloves are thicker and more durable than regular gloves and have been tested and certified to meet certain standards for strength & chemical resistance. They are versatile, easy to use, and provide the perfect balance between durability and dexterity. These powder-free and latex-free gloves offer reliability, strength, and stretchiness while maintaining precision.

The gloves are made from 100% high quality nitrile and have 6 mil thickness which provides superior durability and strength. They are commonly used by law enforcement, emergency responders, food, and laboratory workers.

BENEFITS

- 6 Mil Thickness, High strength & durability
- Exceptional strength and durability
- High resistance to oil and grease
- Resistance to wide range of chemicals
- Free from powder and latex allergens
- Beaded Cuff for easy removal
