that flexes, Gloves
that flow.

MG-G280 8.7 MIL ORANGE NITRILE EXAM DIAMOND GRIP GLOVES

Our GP Craft Heavy-Duty 8.7 mil diamond textured orange industrial nitrile gloves provide premium protection with enhanced durability.

The gloves have very good stretch, and the thickness ensures they have excellent resistance to tears, abrasions, and punctures.

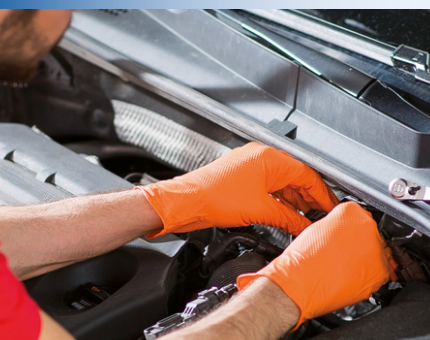

The raised diamond texture provides maximum functionality for auto repair, janitorial, painting, manufacturing, plumbing, & many other industrial tasks.

Orange gloves also have very high visibility that improves safety. They are a very good fit for automotive, industrial, and food handling applications.

BENEFITS

- Constructed from heavy-duty 8 mil nitrile with raised diamond fully textured grip
- Offer excellent elasticity, puncture resistance, and chemical resistance
- Diamond texture channels away liquid ensuring excellent grip
- The reversed texture on the inside helps to keep the air circulating
