GP Craft 3.2 Mil Blue / Clear Vinyl Synmax Exam Gloves

The GP Craft Synmax 3.2 Mil clear/blue vinyl examination gloves are 100% latex-free and powder-free, making them a good alternative to latex gloves and reducing the risk of allergies.

Keeping you away from irritations caused by latex and powder, they are especially suitable for sensitive skins. The gloves provide very good protection against tears and punctures, and it has excellent fit for comfort, sensitivity, and safety.

They are not limited to medical exams, these gloves can be used for cleaning, dental care, home use, hairdressing, tattoo, food services and many other scenarios. These are also food-grade gloves, allowing you to handle food without worry.

BENEFITS

- 3.2 Mil of durable Vinyl material
- Alternative for individuals who are allergic to natural rubber latex
- High resistance to alkali, oil and acids
- Food grade
- Free from powder and latex allergens
- Cost-effective protection
