

## BW-1 Hand Wipes

Protect yourself with our hand wipe that is perfect for foodservice settings, retail operations, offices, homes, and locations where access to soap and running water is limited. The wiping action is proven to clean more effectively than merely putting antibacterial gels on your hands. Each wipe contains moisturizers to help prevent skin from drying out.

Clean yourself from common allergens and help prevent the growth of mold & mildew. Keep the hand wipes near food prep areas, restrooms, office meeting rooms, or anywhere you may need convenient way of cleaning your hands to ensure health and safety. The thick and wet wipes provide effective cleaning and maximum protection for everyday use.
