

CS-21

75% Disinfectant Spray 16.9 oz.

Our hand sanitizer is perfect for foodservice settings, retail operations, offices, homes, and locations where access to soap and running water is limited. No need to wash your hands or rinse after use, and our sanitizer contains moisturizer.

The Cleace 75% Alcohol Hand Sanitizer leaves your hands clean without using water. The compact bottle with a flip-top cap is ideal for travel and on-the-go use. Use anywhere, anytime such as in the car, at the office, a picnic, during travel, at sports, or other activities.
