

## CS-9 Hand Sanitizer 1 Gallon

Our hand sanitizer is perfect for foodservice settings, retail operations, offices, homes, and locations where access to soap and running water is limited.

Hand sanitizers provide several advantages over hand washing with soap and water. They require less time than hand washing and sanitizers act quickly to clean your hands. Hand sanitizers are more accessible than sinks and they are portable solutions for hygiene and health.

## Hand Sanitizer Features:

- Perfect for quickly cleaning hands when there is no access to soap and water
- Portable and convenient
- Essential to workplace safety and hygiene
