

DG-5 Isolation Gown Level 1

In today's environment, it is more important than ever to be equipped with the proper protective apparel to help reduce the spread of infections.

AAMI guidelines are a widely accepted system of classification for protective apparel based on liquid barrier performance, and our Disposable Isolation Gown conforms to AAMI Level 1.

Vizocare's Disposable Isolation Gown provides barrier protection based on AAMI guidelines. Our Isolation Gowns are made from PP Non-woven fabric and gives personnel the confidence and comfort they need to deliver.
