

FM-2C Harley L-288 N95 Face Mask

Our N95 Mask is a semi rigid molded respirator. The mask is NIOSH certified and so functionalities such as penetration, breathing resistance and strap strength meet or exceed the standards set by NIOSH.

Our N95 mask is great for protecting people from pollen, allergens, dust, chemicals and smoke. This disposable face mask is super comfortable and easy to wear. This face mask features an adjustable nose wire to ensure a perfect fit. Suitable for personal daily health protection - these masks are designed to keep away smoke, debris, residue and dust from you. Wide applications including electronic manufacturing, workshops, catering services, food processing, schools, environmental cleaning, public occasions.
