3-Ply Christmas Face Mask

Our Christmas-themed face mask is made of high-quality cotton and

non-woven filter cloth that has a 3-ply structure. The outer ply is made by moderately thick and flexible non-woven fabric to resist dusts and ashes. The middle ply is made from melt-down material to stop particulates. The inner ply made by ultrafine fiber is skin friendly and damp proof.

The Christmas-themed 3-ply masks are developed for every day comfortable use. It offers protection against dust, automobile exhaust, pollen, and more. The elastic ear loop was tested thoroughly and holds up for every day wear, ensuring no excess pressure to the ears. Our masks are made of environmentally friendly material and are moisture-proof, non-toxic, non-irritating, soft and comfortable. 3-Ply non-woven design ensures comfort and breathability.
