Wintech Medipro ASTM Level 1 Face Mask

The Wintech Medipro ASTM Level 1 Face Mask with a convenient ear loop design allows you to slip on and remove the masks quickly and easily. The mask is soft and breathable for comfortable wear.

The medical face masks are intended to be worn to protect both the patient and healthcare personnel from transfer of microorganisms, body fluids, and particulate material. The high filter performance and low breathing resistance ensure maximum safety while maintaining maximum wearing comfort. Masks from this series have an average filtration efficiency of 99.67%. The mask is single-use and disposable.
