

MG-D4CL Diamond Advance Clear Vinyl Exam Gloves

The Diamond Advance clear vinyl exam gloves are latex-free and powder-free. Latex-free gloves are ideal for those allergic to natural rubber, while powder free means no messy residue. There is no messy powder, but the polymer coating makes the gloves easy to put on and take off.

The gloves are an excellent choice for jobs that require frequent gloves changes. These clear vinyl gloves are easy to put on your hands and have a comfortable fit. They excellent choice for medical and healthcare, restaurants, hair salons and barbers, catering, tattoo and body piercing shops, automotive, medical, as well as other light industrial applications.
