

## MG-D4 Diamond Advance Blue Vinyl Industrial Gloves

The Diamond Advance blue vinyl exam gloves are latex-free and powder-free. Latex-free gloves are ideal for those allergic to natural rubber. There is no messy powder, but the polymer coating makes the gloves easy to put on and take off.

Our Vinyl gloves are an excellent choice for jobs that require frequent gloves changes. These blue vinyl gloves are easy to put on your hands and have a comfortable fit. These blue vinyl gloves can be used for work in Sanitary, Plumbing, Painting, Automotive, and other household use. They have exceptional strength and puncture resistance while maintaining tactile sensitivity.
