

## MG-E24 Supernova Blue Exam Grade Nitrile Glove

Our most versatile glove, the Supernova is a 4 mil exam grade glove that is third party inspected and tested to meet medical glove standards. The Supernova offers supreme stretch, a high degree of touch and feel, and is touch screen compatible. They are great for many uses including medical exam, dentistry, salon, and food prep.

The gloves are exam grade and meet the USFDA 510K and CE Certified medical glove standard.

They meet a wide variety of uses: medical exam, doctors' office, dentist's office, beauty hair & nail salons, cosmetology, general household cleaning, home food prep, painting, light mechanical, and outdoor maintenance.
