

MG-E25B Eclipse 5 Mil Black Industrial Nitrile Glove

The Eclipse 5 mil industrial nitrile gloves provide enhanced durability and thickness for the most difficult tasks. Eclipse gloves offer excellent tear, abrasion, and puncture resistance while remaining touchscreen friendly for maximum efficiency. They hold up to a variety of uses including automotive, tattoo artists, food service and more.

The Eclipse industrial nitrile glove is suitable for those who are sensitive to rubber latex and offers a level of comfort that rivals that of latex. It is designed for heavy-duty, long-lasting use. From automotive to food prep, to agriculture, the uses are endless.
