

MG-E280 Novaguard 8 Mil Orange Industrial Nitrile Gloves

Our Novaguard heavy duty 8 mil diamond textured orange industrial nitrile gloves provide premium protection with enhanced durability.

The gloves have very good stretch, and the thickness ensures they have excellent resistance to tears, abrasions, and punctures.

The raised diamond texture provides maximum functionality for auto repair, janitorial, painting, manufacturing, plumbing, & many other industrial tasks.

Orange gloves also have very high visibility that improves safety. They are a very good fit for automotive, industrial, and food handling applications.
