

MG-J42C Josen 2.5 Mil Vinyl Industrial Gloves

The Josen 2.5 mil clear vinyl industrial gloves are 100% latex-free and powder-free, making them a good alternative to latex gloves and reducing the risk of allergies. Keeping you away from irritations caused by latex and powder, they are especially suitable for sensitive skins. The gloves provide very good protection against tears and punctures, and it has excellent fit for comfort, sensitivity, and safety.

The glove's extraordinary durability and flexibility makes it perform well in industrial works, where they provide perfect protection for wearers. These vinyl industrial gloves are designed to be used in a variety of scenarios: food services, cosmetics, tattoo, hairstyle, lab work, auto works, home use, and janitorial.
