

Vizocare Special Program to Protect our Children and Staff in Schools and Higher Education Institutions

Vizocare personal protective equipment (PPE) for schools and universities all around the country

Our Focus

The coronavirus outbreak has severely affected education all around the country. As the Federal Government and now the CDC advise school reopening, it is imperative that we all make sure our children and their teachers are totally protected.

To achieve this goal, the CDC emphasizes on masking, physical distancing, personal hygiene, and environmental sanitation.

Vizocare has a complete solution to achieve these goals.

Our Solution

Vizocare commits to helping schools and universities get up and running during the coronavirus pandemic. We provide the following products to make sure students, teachers, and staff are safe:

- ✓ Child Masks, Cloth Masks, Surgical Masks
- ✓ Disinfectant Wipes for hands and surfaces
- ✓ Hand Sanitizers and Automatic Dispensers
- ✓ Gloves and Isolation Gowns
- ✓ Thermometers and Disinfecting Cabinets
- ✓ Desk Shields, adult and child face shields
