

**DIMENSIONS**

**Functional. Sophisticated. Versatile.**

Use anywhere with cabinets, our LED under-cabinet lights provide the perfect illumination. A light that brightly lights up the countertop for food preparation, that accentuates the backsplash while also adding just the right amount of light at night or while entertaining guests. These lights are dimmable, low profile and only reflect a smooth, soft glow. They are simple to install and add value to the home.

**TECHNICAL SPECIFICATIONS**

**POWER INFORMATION**

**Voltage:** 24V DC

**Wattage:** See chart

**Maximum current wired in series:** 1.8 A

**Fuse Style:** Auto Reset

**Classic White Color Temperature Options:**  
2700K, 3000K, 4000K

**Compatible Controllers:**

- K Classic White Duo Controller
- K Classic White Mini Controller

**CONSTRUCTION**

**Housing:** Powder coated aluminum

**Lens:** Polycarbonate

**Mounting Clips:** ABS Plastic

**Screws:** Zinc-plated steel

**Length:** See chart

**Width:** 7/8 in.

**FEATURES**

<p>Cast Aluminum Finish</p>	<p>Dimmable</p>	<p>Classic White (W)</p>
