

# OUTDOOR / INDOOR MINI CONTROLLERS

## Simple. Sophisticated. Compact.

Our Mini LED Controller is designed for dedicated control and works with the Wireless Wall Switch. (Wireless Wall Switches sold separately for WiFi Enabled version)

The Full Color Mini Controller features dimming, white temperature adjustment between 2500K - 6500K, 20 color options, and 6 changing color patterns. Use with the Wireless Wall Switch included or upgrade to our WiFi Mini controlled by the Haven Smart Phone App.

The Classic White Mini Controller offers dimming capability by the Wireless Wall Switch or upgrade to the WiFi version to control with the Haven Smart Phone app.
