Versatile. Convenient. Powerful.

Our Duo LED Controller is designed to control two areas and operate individually or paired as one system. The controller works with both Wireless Wall Switches. (Wireless Wall Switches sold separately for WiFi Enabled version)

The Full Color Duo controller features dimming, white temperature adjustment between 2500K - 6500K, 20 color options, and 6 changing color patterns. Use with the Wireless Wall Switches included or upgrade to our WiFi Duo controlled by the Haven Smart Phone App.

The Classic White Duo controller offers dimming capability by the Wireless Wall Switches or upgrade to the WiFi version to control with the Haven Smart Phone app.
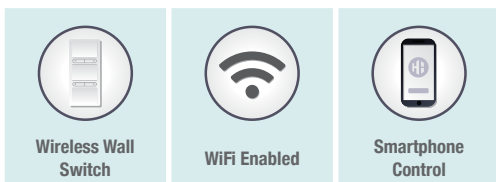

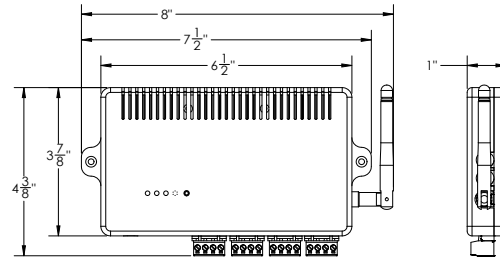

INCLUDED
