## *About the company . . .*

Sunco Natural was founded in 2007. With this exposure we are known as one of the top fine Importer, Distributor and Processor in the east coast corporate office located in the city of Clifton, New Jersey.

We are currently serving the NEW JERSEY and NEW YORK metro area as well as over 15 additional states across the East Coast. Our product Line consist of Dried Fruits, Nuts, Seeds, Grain, dry beans, Granola, Herbs and Spices among other selections as our inventory continues to grow with new additions to our products frequently.

We maintain an excellent report and reputation to provide the utmost service as well as guarantee our product line to remain of Kosher Certified; USDA Organic; Raw; Gluten Free; NON-GMO. We became fascinated with all we have done, as it's not complicated; "We just focus on what matters such as great product + great prices = value" this initiated Sunco Natural to merge with "Frenchie" in 2009.

Merging with Frenchie Inc. allowed us to sell in volume bulk to our grocers so they can get the best prices and pass the savings onto the public patrons. We will always stand by our products with strict confidence and continue guaranteeing our product line, as we always collect our ingredients from only the top producers to ensure all remains Fresh; delicious and enticing. We want to continue to have these items create appealing tastes on your menu and continue to satisfy your pallet and provide relief from your cravings for something sweet, tangy and mouth watering.

Our team of Customer Service Representative has grown and you are to expect the best in quality and service from Sunco & Frenchie. We are always determined to have the highest impact of positive reviews and full customer satisfaction, as we are ready to serve. With such a diverse group of individuals from so many different places, we bring a unique perspective to everything we do.

A collage of fresh fruits and nuts. On the left, a yellow bowl contains sliced kiwi, dates, and other fruits. To the right, a white bowl is filled with almonds and walnuts. Scattered around are individual pieces of kiwi, dates, almonds, and walnuts. The word "Pouches" is written in a white, cursive font across the center.
