Historical Timeline Figures

WITH

"The Mystery of History"

► This chart has been designed to help you locate the timeline figures used in each lesson of *The Mystery of History*. Because our figures are provided in a couple of different ways, this will help guide you in which set(s) to find the figure and what page it would be on. The sets that contain timeline figures used with The Mystery of History are:

- ***Creation to Christ*** (world history) *
- ***Napoleon to Now*** (world history) *
- ***The Mystery of History III Timeline Figures Set*** **
- ***Resurrection to Revolution*** (world history) *
- ***America's History*** (American history) *
- ***The Mystery of History IV Timeline Figures Set*** **

► * NOTE: You will find all four world and American history sets are sold either separately or in one, economical collection: the "***History Through the Ages Collection of Historical Timeline Figures***." The collection also contains an additional 80 "Bonus Figures," providing more than 1,260 images in all, allowing you to expand your timeline across several subjects and topics of study throughout your child's school life.

► ** The sets for ***The Mystery of History III*** and ***IV*** were specifically designed to comprise *only* the figures needed for each volume from the original sets, along with additional figures that were added later. Because of this overlap, you have a couple of options to acquire what you need.

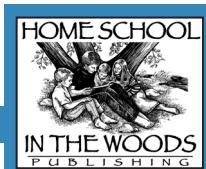

► There are two ways to purchase all the figures you need to accompany the four Mystery of History volumes:

1) If you prefer purchasing one set at a time to accompany each MoH volume individually, you will need:

- ***Creation to Christ*** (Accompanies ***The Mystery of History I***, plus over 70 extra figures)
- ***Resurrection to Revolution*** (Accompanies ***The Mystery of History II***, plus over 90 extra figures)
- ***The Mystery of History III Timeline Figures Set*** (all figures included are used in MoH III)
- ***The Mystery of History IV Timeline Figures Set*** (all figures included are used in MoH IV)

2) If you prefer to own the collection (containing an additional 600 figures beyond the MoH figures), you will only require a couple of small add-on sets in place of the full ***MoH III and MoH IV*** sets to complete what you need:

- ***History Through the Ages Collection of Historical Timeline Figures*** (set of over 1,260 figures, including "Bonus Figures")
- ***MOH III Add-on Figures*** (24 figures) • ***MOH IV Add-on Figures*** (18 figures)

Use this key to determine the particular set(s) each figure is in and the page it is on:

"C" - **Creation to Christ** (Individual set and in the Collection of Timeline Figures)

"R" - **Resurrection to Revolution** (Individual set and in the Collection of Timeline Figures)

"N" - **Napoleon to Now** (Individual set and in the Collection of Timeline Figures)

"A" - **America's History** (Individual set and in the Collection of Timeline Figures)

"B" - **"Bonus Figures"** (Found in the Collection of Timeline Figures)

"MOH III" - The Mystery of History III Timeline Figures Set

"MOH IV" - The Mystery of History IV Timeline Figures Set

"MOH III-AOF" - The Mystery of History III Add-On Figures

"MOH IV-AOF" - The Mystery of History IV Add-On Figures

Be sure to look at surrounding figures on the pages, as there may be others that apply to the lesson!
