## Hands-On History Activity-Pak: The Old Testament Scope and Sequence

The Old Testament Activity-Pak offers a hands-on view of the Old Testament. Students investigate many classic stories and characters from the Old Testament, such as the Seven Days of Creation, Noah and the Flood, the Ten Commandments, Ruth, Esther, Abraham, and Isaac. The Activity-Pak is designed to teach students through kinesthetic means, utilizing the senses and motor skills. Where younger students may need more guidance and assistance with the projects, older students should be able to handle the majority of the Activity-Pak independently.
